

Help us Improve young lives while helping
the environment!

Recycle your printer cartridges & mobiles!

FREE COLLECTION SERVICE

We offer a FREE UK collection service for your used toner cartridges. If you are in London City or the Leeds/Bradford area our In-house Couriers will come and collect your empties. A minimum of 6 units are required.

If you are outside of these locations our Nationwide Courier will make your collections. A minimum of 20 units are required.

Our Couriers are with you in 2-3 working days at absolutely no cost to yourself.

If you are unsure whether your area is covered by our In-house couriers give us a call on 01372 751170 and we'll let you know!

Sparks
THE CHILDREN'S MEDICAL
RESEARCH CHARITY

Sparks aims to help all babies be born healthy and stay healthy. We fund research that has a practical and positive impact on the lives of babies and children. Please help us by sending us your used printer cartridges and old mobile phones.
