

Help us Improve young lives while helping
the environment!

Recycle your printer cartridges & mobiles!

FREEPOST ENVELOPE SCHEME

Why not join our Freepost Envelope Scheme to recycle your old mobile phones and inkjet cartridges. Most homes have printers these days and the empty inkjets are simply discarded. So why not help Sparks to turn this waste into valuable funds.

To requests your Freepost Envelopes please call 01372 751170

We respect that brand names, trademarks, images and part numbers are the properties of their owners.

Sparks will receive

- £1 for every recyclable Lexmark and HP cartridge returned.
- £3.50 for every mobile Phone returned.

Sparks aims to help all babies be born healthy and stay healthy. We fund research that has a practical and positive impact on the lives of babies and children. Please help us by sending us your used printer cartridges and old mobile phones.
